Scheggia, 906/P
poltroncina dining \ dining armchair

La collezione Scheggia composta da poltrona e poltroncina dining esalta le venature naturali del legno, a cui il modello si ispira, sviluppando il disegno in un'unica linea continua che unisce gambe, braccioli e schienale. La struttura in massello di frassino rastremato ai bordi avvolge una seduta interamente imbottita in tessuto o pelle.

The Scheggia collection, composed by armchair and dining armchair, enhances the natural wood grain, to which the model is inspired, developing the design in a single continuous line that combines legs, armrests and backrest. The structure in solid ash wood tapered at the edges is completed with a seat entirely upholstered in fabric or leather.
