Arial è una collezione di librerie autoportanti e consolle che sceglie il legno come materiale d'eccellenza, abbinato a materiali più netti come il metallo e il marmo. Linee pure ed essenziali per la libreria Arial, caratterizzata da un telaio dalla sezione ridotta. Disponibile anche nelle varianti a due e tre ripiani con o senza cassetto. Minimalismo e dettagli sofisticati caratterizzano la consolle Arial che reinterpreta l'arredo domestico d'accoglienza. La parte superiore dei cassetti e dello schienale, realizzata in massello di frassino o noce Canaletto, sovrasta leggermente il piano creando una sorta di vassoio. Il top è disponibile in marmo, vetro retro verniciato nero temperato, frassino o noce Canaletto.

Arial is a collection of freestanding bookshelves and console that chooses wood as a material of excellence combined with cleaner materials such as metal and marble. Arial bookcase is characterized by pure and essential lines and by a very tight frame with a reduced section. It is also available with two or three shelves with or without drawer. Minimalism and sophisticated details characterize the Arial console that reinterprets the home décor. The upper part of the drawers and back is made out of solid ash wood or Canaletto walnut, and slightly overhangs the top, creating a sort of tray. The top is available in marble, tempered black back painted glass, ash wood or Canaletto walnut.
