

Ola, 923/O
pouf \ pouf

La famiglia di sedute Ola si caratterizza per la forma dello schienale avvolgente, in tondino di metallo, che ricorda l'immagine fluida dell'onda. Declinata in sedia dining impilabile, poltroncina dining, poltroncina a pozzetto, poltrona, divano e sgabello, la famiglia si arricchisce di un nuovo elemento: il pouf, che prosegue armoniosamente il racconto della collezione, fatto di intrecci e dettagli raffinati.

Ola seat family is characterized by the shape of the embracing backrest made of metal rod, which recalls the fluid image of the wave. A new product is added to the collection, which already includes the stackable dining chair, dining armchair, tub chair, armchair, sofa and stool: the pouf, which harmoniously continues the story of the collection, made up of weaves and refined details.
