Reclining Home Cinema Chair

## Description

Comfort Home Cinema Reclining Chair is the most essential piece in the cinema chair family. It is equipped with a single reclining mechanism. Comfort Home Cinema Chair is characterized by a perfect combination between comfort and refined details, like thick stitching on sight and ergonomic head cushions. The peculiarity of Comfort Home Cinema Chair is the possibility to enrich it with decorative materials placed in the front of the arm: precious marbles, wood inlaid with mother-of-pearl and ebony, embroidered leathers and metallic fiber.
