

Joi

Una seduta che coniuga design e praticità. La panca Joi è un complemento d'arredo dal basamento laccato lucido o opaco nelle diverse colorazioni, e presenta una seduta imbottita di grande comfort, da rivestire a piacere ton sur ton o in contrasto con la base.

A seat that combines design and function. Joi bench is a piece of furniture with a matt or glossy lacquered basement available in different colours, and a very comfortable padded seat, which can be covered as desired: ton sur ton or choosing a nuance contrasting with the base.
