

René

Dinamismi visivi, racchiusi in forme organiche, prendono vita attraverso un'alta lavorazione artigianale: sono queste le linee espressive del nuovo divano René disegnato da Andrea Parisio per Meridiani. Dimora accogliente e confortevole, audace negli abbinamenti, è un progetto dalla grande flessibilità compositiva, sia nei moduli disponibili sia nell'accostamento dei materiali. Gli elementi, caratterizzati da sedute e schienali arrotondati, si completano tra di loro in un gioco senza soluzione di continuità per composizioni lineari e angolari. A dare ancora più eterogeneità al progetto i pouf semicircolari, trapezoidali, tondi o rettangolari che possono ospitare anche dei vassoi disponibili in diverse finiture, dal legno al laccato, con piano interno in vetro retroverniciato, marmo, cuoio, ottone bronzato o acciaio platinato. René rivela la personalità di chi lo sceglie, grazie a combinazioni e materiali che trasformano il prodotto in un progetto unico e totalmente personale.

POLTRONA . ARMCHAIR P. 34

Visual dynamics shaped into organic forms, coming to life thanks to high craftsmanship: these are the expressive lines of the new René sofa designed by Andrea Parisio for Meridiani. Cozy and comfortable, bold in its combinations, this project shows the greatest flexibility, both in terms of available units and combination of materials. The elements, with rounded seats and backs, complement each other in a game of free-standing or corner configurations. The semicircular, trapezoidal, round or rectangular ottomans that can also support trays available in different finishes, from wood to lacquers and with internal top in back-painted glass, marble, leather, bronzed brass or platinum steel, to convey even more heterogeneity to the project. René reveals the personality of those who choose it, thanks to modularities and materials able to transform this piece into a unique, totally personal project.
