# Island

Designer Serena Confalonieri  
Produzione / Production year: 2018

# Descrizione

Island è una collezione composta da tre pouf le cui forme organiche richiamano le linee curve delle coste lambite dal mare. Il rimando si fa sentire non solo in pianta, ma su tutte le dimensioni, a ricordare il movimento avvolgente dell'acqua che leviga e modella le pietre. Per questo motivo i volumi vengono percepiti in maniera differente nello spazio a seconda della prospettiva da cui vengono osservati. Lo zoccolo stacca visivamente la seduta da terra e la lascia fluttuare nello spazio. Completamente sfoderabile.

## Struttura - Imbottitura

In multistrato rivestito con poliuretano espanso a quote differenziate, ricoperto da velfodera accoppiata a resinato pressato 100gr/mq.

## Piedini

Lo zoccolo è in legno massiccio.

# Description

Island is a collection made up of three poufs with organic forms that evoke the coast line lapped by the sea. This imagery is felt throughout the entire design, conjuring the enveloping movement of the tide which softens and shapes the shore. For this reason, the volumes are perceived differently depending on the perspective from which they are observed in a space. The base visually elevates the seat from the ground making it seem like it's floating in space. Fully removable covers.
