# Sitar Outdoor

Designer Enzo Berti  
Produzione / Production year: 2022

# Descrizione

Preservando il suo background lontano e l'appeal senza tempo, Sitar vive ora con le stesse finiture proposte per lo spazio indoor anche open-air, grazie ad uno speciale trattamento applicato alla sua struttura, arricchendo così la collezione outdoor Saba

## Struttura

In legno massello di frassino curvato, lucidato a poro aperto e finitura color noce o nero opaco. Intreccio seduta in cima di poliestere diametro 4 mm. Incollaggio con colle poliuretaniche, ciclo di verniciatura speciale per resistere in outdoor.

Disponibile in versione monocolore (struttura color noce & intreccio color corda) oppure in versione bicolore (struttura color noce & intreccio color corda-nero; struttura color nero opaco & intreccio color grigio-nero).

# Description

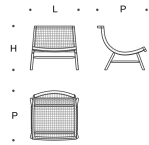

Preserving its ancient background and timeless appeal, Sitar lives on with the same finishes proposed for interiors and for open-air spaces, thanks to a special treatment applied to its structure, which enriches the Saba outdoor collection.

## Structure

In curved solid ash wood with a polished open-pore walnut-color or opaque black finish. Interweaving seating with woven polyester cables diameter 4 mm. Gluing with polyurethane glues. A special painting cycle allows product to resist in outdoor.

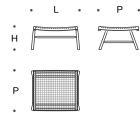

Available in unicolor version (frame's color in walnut & cords in beige color) or in bicolor version (frame's color in walnut & cords in Beige-Black color; frame's color in opaque black & cords in Grey-Black color).
