New York Suite

Designer Sergio Bicego
Produzione / Production year: 2015

Descrizione

La collezione New York firmata Sergio Bicego si declina in nuove forme senza perdere la propria essenza, costituita da un'anima contemporanea e da uno spirito senza tempo. La trapuntatura dei cuscini ammicca a un'eleganza retrò e cede alla tentazione della nostalgia per tratteggiare il design del futuro. Allo stesso tempo l'allure metropolitana viene esaltata dalla sagoma esagonale della struttura, che poggia su piedi sottili in tondino di acciaio. New York Suite è avvolgente e ospitale anche nelle varianti più contenute come la maxi poltrona lounge e il divano da 155 cm, che accoglie morbidamente due persone e risulta particolarmente interessante per il sistema contract.

Omologazione Ignifuga

Disponibile anche in versione Omologata 1.IM (art.8) con sovrapprezzo e tessuti dedicati

Struttura - Imbottitura

In legno massello tamburato rivestito con poliuretano espanso a quote differenziate (75IP - 30IP) e ricoperto da velfodera accoppiata con resinato 150gr/mq. Il molleggio della seduta è assicurato da cinghie elastiche con anima in polipropilene.

I cuscini schiena sono imbottiti con fibra di poliestere. I cuscini seduta sono in fibra di poliuretano espanso a quote differenziate (40IM - 23IM), rivestiti in tessuto di puro cotone bianco. Le imbottiture sono trapuntate con una particolare tecnica che ne consente una facile sfoderabilità.

Piedini

In trafilato dal diametro di 16 mm con finitura cromata lucida, doppia galvanica opaca, verniciato bianco o nero.

Description

The new New York collection designs by Sergio Bicego still retain a contemporary soul and timeless spirit. The quilted cushions hint at a retro elegance and a nostalgic atmosphere yet the whole design is futuristic. At the same time the metropolitan allure is heightened by the hexagonal shape of the frame resting on slim steel rod feet. New York suite is soft and welcoming also in the smaller versions such as the maxi lounge chair and the 155 cm sofa which seats two people comfortably and is particularly interesting for contract projects.

Fireproof Approval

Also available in 1.IM Certified version (art.8) with a surcharge and selected fabrics

Structure - Padding

In honeycomb-paneled solid wood padded with variable-density polyurethane foam (75IP - 30IP) and covered with velfodera on a resin-coated backing 150gr/sqm. The seat is sprung with elastic straps reinforced with polypropylene.

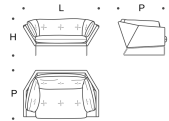

The back cushions are padded with polyester fiber. The seat cushions are in polyester fiber padded with variable-density polyurethane foam (40IM – 23IM), covered in white 100% cotton fabric. The padding is quilted with a special technique that allows for easy cover removal.

Feet

In 16 mm wire drawn with glossy chrome finish, double matte galvanic, painted white or black.
