Voyage

Designer Sergio Bicego
Produzione / Production year: 2019

Descrizione

Un viaggio attorno al divano dall'estetica pulita e atemporale, questa l'emozione che si prova scoprendo Voyage. Essenziale e contemporanea la sua superficie, eclettica e sorprendente la sua anima. Voyage si assembla e si riassume con semplici gesti adattandosi ad ogni esigenza di living. Saba rinnova la sua vocazione ad interpretare il valore della flessibilità con questo nuovo modello dagli schienali sottili che consentono un comfort ottimale col minimo ingombro e permettono di trasformare una composizione in due divani o un divano in vis a vis o chaise longue. Disponibile in due varianti di piede: metacrilato o in metallo finitura cromata. Completamente sfoderabile.

Struttura - Imbottitura

In legno imbottito con poliuretano espanso 30IP rivestito con velfodera accoppiata a fibra poliestere 150gr/mq. I pannelli schiena sono in multistrato di legno imbottito con poliuretano espanso a quote differenziate (75IP – 25IM) e ricoperta con velfodera 100gr/mq.

I cuscini seduta sono imbottiti in poliuretano espanso a quote differenziate (40IP, 25IM e 40 morbido e flessibile a lento ritorno), rivestiti con vellutino accoppiato a fibra di poliestere 280gr/mq.

I cuscini dello schienale e braccioli sono imbottiti in microfibra siliconata sfiocata 100% poliestere suddivisi in scomparti e rivestiti con tessuto di cotone bianco 100%. Il bracciolo cilindro è imbottito con poliuretano espanso 30IP e rivestito con fodera in cotone accoppiato a fibra di poliestere 380gr/mq.

Piedini

Alto 14 cm in metacrilato trasparente a sezione rettangolare o in metallo con finitura black nichel.

Description

This sofa offers clean lines and a unique flexible design gives a feeling of momentum towards a larger journey. The upholstery options are essential and contemporary, eclectic and give character. Voyage can be assembled and re-assembled with simple configurations adapting to any living scenario. This new model reinforces Saba's ethos for interpreting the value of flexibility. From the slender backrests that allow utmost comfort with minimal volume to the multiple configurations they enable. Voyage can be configured into two sofas or one sofa in vis a vis positioning, or into a chaise lounge formation. It's available in two variations – with methacrylate or chrome finished metal feet. Fully removable covers.

Structure - Padding

In wood padded with polyurethane foam 30IP covered with velfodera on a polyester fiber coated backing 150gr/sqm. The back panels are in plywood padded with variable-density polyurethane foam (75IP – 25IM) and covered with velfodera 100gr/sqm.

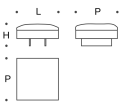

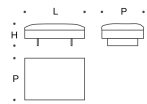

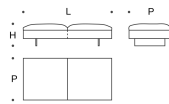

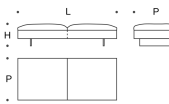

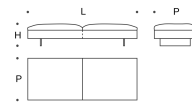

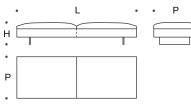

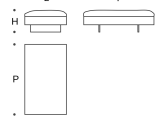

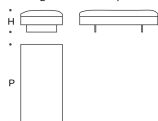

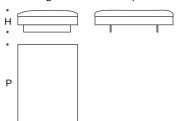

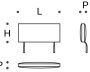

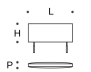

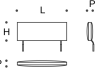

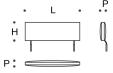

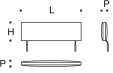

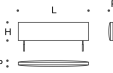

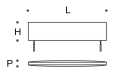

The seat cushions are made with variable density polyurethane foam (40IP, 25IM and 40 soft and flexible to slow return), covered fine velvet coupled with polyester fiber 280gr/sqm.

The back and armrest cushions are in siliconised microfiber unraveled 100% polyester quilted into sections and covered with 100% white cotton fabric.

The roll armrest is filled with polyurethane foam 30IP and covered with cotton fodera coupled with polyester fiber 380gr/sqm.

Feet

14 cm high in transparent methacrylate with rectangular section or in metal with black nickel finishing.
